APPLICATION PROCEDURE

Applications in writing, accompanied by a Curriculum Vitae, giving full details of work experience and proof of qualifications, should be submitted to: **The Director: Human Resources, Namibia University of Science and Technology, Private Bag 13388 or 13 Storch Street, Windhoek, NAMIBIA.**

Applications may be emailed to recruitment@nust.na

On e-mail applications, please enter the title of the position in the subject line.

All foreign qualifications will be validated by the NQA.

Department: Land and Property Sciences

The Namibia University of Science and Technology (NUST) is the host for the Network of Excellence on Land Governance in Africa (NELGA). Therefore, we seek an experienced academic and researcher to support capacity development in Land Administration and Property Studies.

Associate Professor/Professor: Land Administration

Requirements

Associate Professor: A Doctorate (NQF Level 10) in Land Administration or a related field with at least seven years of lecturing experience at tertiary education level and/or an equivalent combination of relevant academic and industrial experience. Ability to engage in outreach and knowledge diffusion activities as well as support the capacity building actions in line with DLPS strategies. Excellent English communication skills (oral and written). Proven competence in successful sourcing of research or project funding from third-party sources, successful initiation and management of research projects, curriculum development and strong management/organisational and mentorship skills. Competence to assume academic leadership, to establish professional networks, and to maintain links with industry, as well as experience in developing postgraduate programmes. Sound research profile including ten peer-reviewed journals/books/conference proceedings and successful supervision of at least three Master's (research) students.
